The COA application will be reviewed by the Historic Preservation Officer or its staff. If the application is in compliance with the East Row Historic District Design Review Guidelines, then staff can approve the application. Most applications can be approved by staff within a few working days.

If the application is not in compliance with the East Row Historic District Design Review Guidelines, then the application will be referred to the Newport Historic Preservation Commission for a hearing.

The Newport Historic Preservation Commission (NHPC) is made up of seven residents of Newport who have a strong interest in historic preservation. The NHPC meets on the fourth Wednesday of every month at 7:00 P.M., in the City of Newport Municipal Complex, First Floor Multi-Purpose Room, 998 Monmouth Street, Newport.
